# Dedication

This book is dedicated to everyone who wants to make a difference, regardless of what your cause or beliefs may be. It's dedicated to all who hold a passionate belief and seek to make meaningful change through civic action.

It includes a list of suggested resources for activists of all types or ways to find them.

The remainder of the journal is organized by issue or cause. It lays out an organized approach to planning an activist campaign, with sections for keeping track of contacts, and plenty of pages for note-taking.

Now, more than ever, we have the capacity and the need to speak out about important issues. This journal is intended to assist you in organizing your thoughts and process.
